Workshop met my expectations.

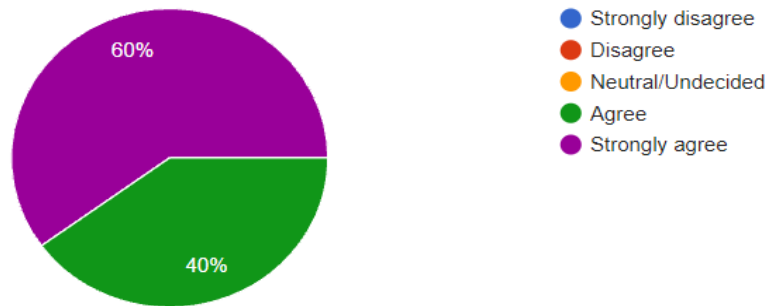

Workshop material increased my awareness of how my creative competencies influence my way of leading.

Workshop material increased my awareness of how my reactive tendencies influence my way of leading.

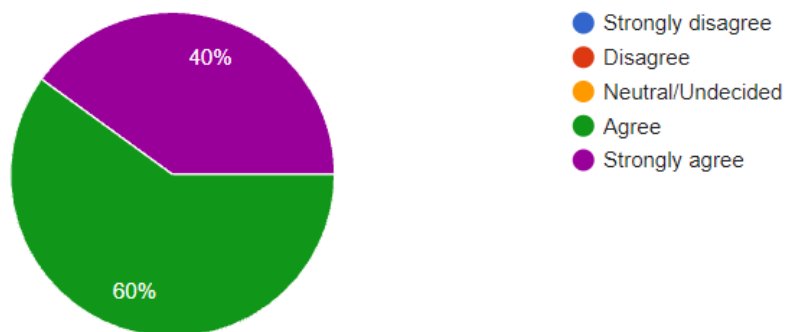

Workshop content support's personal change to enhance and broaden my leadership skills.

I would recommend this training to another organization/team.

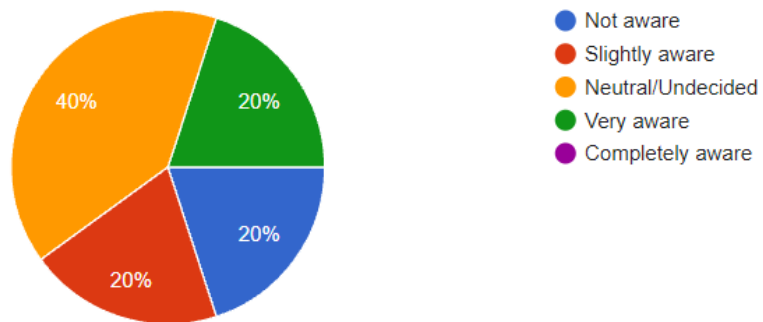

I perceived the LCP Debrief as helpful to gain a better understanding about my strengths and weaknesses.

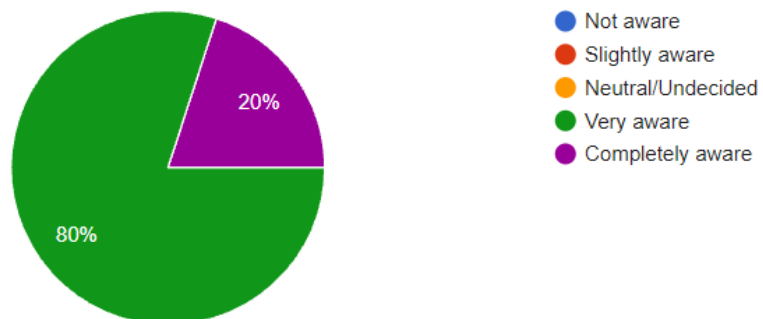

The LCP Debrief Coach created an atmosphere of trust and enabled me to be open in this conversation.

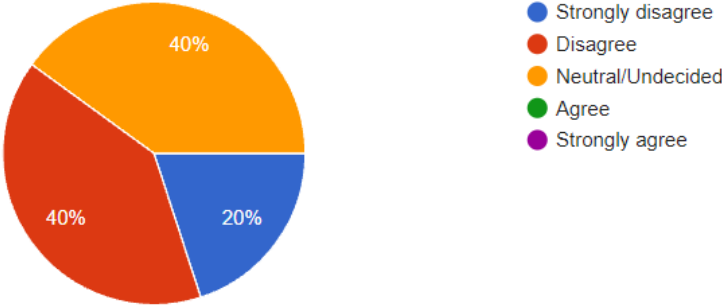

Before the LCP Debrief and Workshop: my level of AWARENESS in regard to my leadership skills.

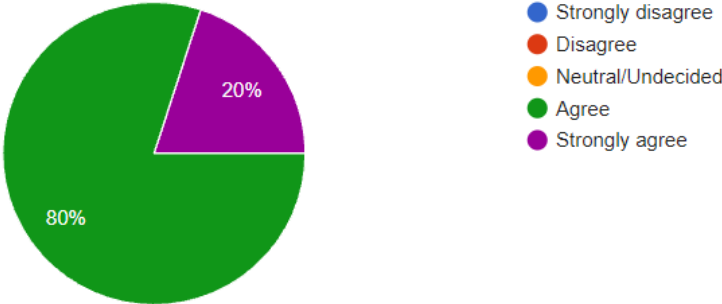

After the LCP Debrief and Workshop: my level of AWARENESS in regard to my leadership skills.

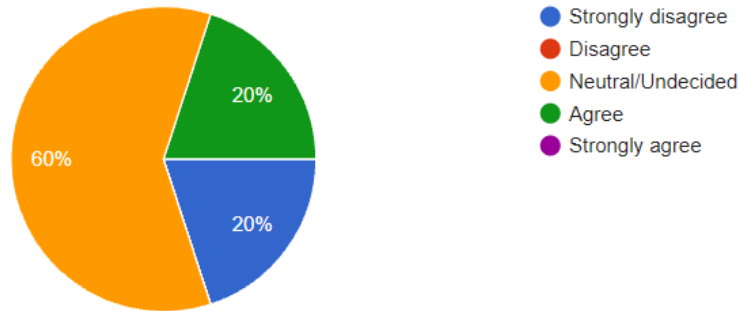

Before the LCP Debrief and the Workshop: I had the awareness of how to recognize the triggers of my reactive tendencies.

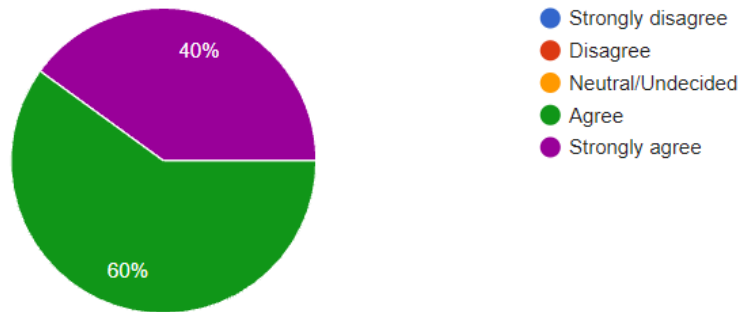

After the LCP Debrief and the Workshop: I had the awareness of how to recognize the triggers of my reactive tendencies.

Before the LCP Debrief and the Workshop: I had the awareness on the impact my creative competencies have on my leadership.

After the LCP Debrief and the Workshop: I had the awareness on the impact my creative competencies have on my leadership.

After the LCP Debrief and the Workshop I believe being able to enhance my leadership effectiveness.
